## GROUP HOMES & HOMELESS SHELTERS

Do you respond to **homeless shelters** or **group homes** and wonder what type of Incident Location Type you should choose on the ePCR?

Consider this question:

*Does the patient reside here because they were mandated by an authoritative body or are seeking recovery/re-entry services of some kind?*

**YES**

**NO**

Incident Location Type:

☒ Residential Institution - Not Otherwise Listed (halfway house, group home, etc.)

Incident Location Type:

☒ Residence - Not Otherwise Listed (homeless shelter)

**NEW** keywords have been added to the Incident Location Types to help search

### WANT UNINTERRUPTED SLEEP?

Distinguishing between these location types helps us engage different community partners to direct education and intervention efforts.

**Resolving the root cause prevents the next call!**
