

DID YOU KNOW?

JULY 2021

NON-TRANSPORT PATIENT DISPOSITIONS

We often see inconsistencies in patient dispositions when they are *not transported*. Here are some quick tips to help select the most appropriate disposition.

EMS Assist (Other Agency)

... **assisted** another agency but were **not the primary** role in patient care

Treated, Transferred Care

... patient was **evaluated/treated**, but was **transferred** to another agency for **final disposition**

Patient Refusal (AMA)

... patient was **evaluated/treated**, but **further treatment/transport was refused** (against medical advice)

No Treatment/Transport Required

... patient was **evaluated** and found to have **no identifiable injury, illness, or complaint**

No Patient Found

... **arrived** on-scene, but **no patient was found**
