# PICKING UP PERSONNEL (OOS CODE)

Apply this out-of-service code when your personnel boards (upgrades) another unit and goes to the hospital.
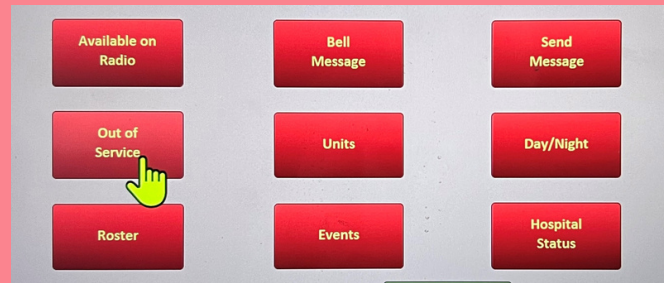

1. For the Unit that is picking up their personnel, select in service **"IN"**

2. Select **"Home"**

3. Select **"Out of Service"**

a. Reason: **"STAFFING PICK UP PERSONNEL @ HOSPITAL(60)"**

IMPACT

For reporting purposes, monitor the frequency of upgrades made by an AFR to an ambulance and how long the AFR is out-of service..

Can answer the question: *How often does our AFR upgrade an ambulance for transport?*
